

2016-2017 STRATEGIC PLAN

District Vision Statement- Creating A Culture Of Learning For All.

District Mission Statement- We will prepare all students for college and/or career success by focusing on best practices, data driven decision making, and a “students first” philosophy.

District Motto- Education Elevated!

Goal 1: Excellence In Student Achievement

Strategy 1- We will achieve 90% proficiency on 3rd grade end of year reading goal (DIBELS).

Strategy 2- We will practice data driven instruction, curriculum with fidelity, multi-tiered systems of support, observer tab, and blended learning/classroom technology at all levels to increase school grades.

Goal 2: Excellence In School Climate

Strategy 1- We will guarantee kind, positive, inviting, and family friendly schools and staff.

Strategy 2- We will promote safe school learning environments for all students, staff, and patrons.

Goal 3: Excellence In Communications

Strategy 1- We will ensure effective use of PLC time and model productive collaboration.

Strategy 2- We will engage all public stakeholders through use of social media, an improved web site, and written notification via multi-media efforts as outlined in our District Communications Plan.

Goal 4: Excellence In Business Operations

Strategy 1- We will be good stewards of public resources and trust.

Strategy 2- We will practice transparency and accountability in fiscal budgeting and reporting.

Goal 5: Excellence In Human Resources

Strategy 1- We will improve employee recruitment and retention through the continued work of the Recruitment and Retention Committee.

Strategy 2- We will address educator effectiveness through employee evaluation, high quality professional development, and elimination of unnecessary tasks.
