

# Settlement Canyon Elementary

## Walking Plan

### 2015-2016

It is the responsibility of the employees and parents of Settlement Canyon Elementary to provide a safe environment for our students. We encourage parents to become familiar with the guidelines in our student handbook [www.tooelesd.org/sces](http://www.tooelesd.org/sces) pertaining to transportation to and from school.

1. **Location and Boundaries:** Settlement Canyon Elementary is located at 935 W. Timpie Road, Tooele, Utah. The boundaries include those outlined on the map as well as Whites Trailer Park, Stockton (including South Rim) and Rush Valley.
2. **Walking Directions:** See attached map for walking directions. Students are advised to always walk on the sidewalks to and from school, crossing the street only at areas controlled by crossing guards, crosswalks, or at intersections with stop signs.
3. **Road Closure:** For the safety of our students and staff utilizing Spencer's Park for recess, PE, etc. 900 W. between Timpie Road and 1000 S. will be closed during the school year, opening only for special events that require extra parking space.
4. **Driving Directions:** Parents that drive to school are encouraged to enter the north parking lot and drop off the students at the front of the building. This is a "drop off/pickup and go" zone only. Parents are discouraged from parking.
5. **Bicycles/Scooters/Skateboards:** Students may ride bicycles, skateboards or non-motorized scooters to school. However, they should not be ridden once on school grounds. Students are asked to walk their bikes, skateboards, and scooters on campus.
6. **Beware of Strangers:** Students should always be alert to any presence of strangers in the area. At the first signs of possible danger they should leave the area quickly and tell an adult immediately.
7. **Potential Hazard:** There is a concern about the safety on the corner of Timpie Road and Coleman. There is a section of road that does not have a sidewalk and students are forced to walk on the road. This is more dangerous in the winter when snow is plowed to the side.

We encourage additional guidelines to ensure the safety of all who attend, work at or visit Settlement Canyon Elementary.
