Creating a Culture of Learning for All

What is a Student?

A Student is the most important person ever in our school ...

in person, on the telephone, or by mail.

A Student is not dependent on us...

We are dependent on the Student.

A Student is not an interruption of our work...

The Student is the purpose of it.

We are not doing a favor by serving the Student...

The Student is doing us a favor by giving us the opportunity to do so.

A Student is a person who brings us his or her desire to learn.

It is our job to handle each Student in a manner

Which is beneficial to the Student and Our School.

The Utah State Core may be accessed at <http://www.uen.org/core/>*

ARRIVAL TO SCHOOL

Students are allowed in the school building at 7:30 A.M. Students may go to breakfast in the cafeteria at that time. If students or parents need to meet with the counselors earlier, special arrangements may be made by calling the counselors to arrange a time. If bad weather occurs, students will be allowed to wait for class in the gym.

ATTENDANCE

It is important for students to be in school at all times. Activities, discussions, simulations, and presentations take place every day during school time and often cannot be duplicated even by after-school instruction (tutoring) or makeup work. Educational achievement comes through participation as well as by assignments, projects, and assessments. ATTENDANCE IS ONE OF THE MAIN FACTORS OF HOW WELL STUDENTS DO IN SCHOOL! It is the responsibility of the parent/guardian to notify school officials of legitimate absences at 435-833-1921. Legitimate absences are defined as: verified illness, medical appointments, bereavement, court appearances, emergencies, pre-approved educational leave, and special family or religious events.

CLASSROOM ASSIGNMENTS FOLLOWING AN ABSENCE

Following any absence, excused or unexcused alike, the STUDENT is responsible for obtaining missed assignments upon his/her return and completing the work according to this policy. The student has three (3) school days following an absence to make up missed work for full credit. After that time, missing assignments become LATE WORK, unless the student and teacher have previously negotiated an extended due date for absent work to be completed. Students will be notified in advance of projects/assignments for which this absent work policy does not apply. If a student is absent more than three (3) consecutive days, a request for homework can be made through the Attendance Office at 435-833-1921.

Students absent from school in connection with an excused absence or school sponsored activity will be allowed to make up all work and receive full credit for the work. It is the student's responsibility to contact the teacher and make arrangements for any missed work.

VACATION PLANS

When a student is going to miss school due to a family vacation, the parent must contact the Attendance Office in advance to approve the absence. The student will take a Prior Excused Absence Form to the teachers for signatures and notification. Students will collect the work to be completed while absence. The work is due upon the return of the student.

TARDY POLICY

3 tardies per class per term=Parent notified by teacher, Student contract with teacher.

5 tardies per class per term= ASD, Loss of hall pass.

6th, 7th, 8th, 9th tardy per class per term= ASD for each tardy.

10th tardy per class per term=All day ISS.

Additional tardies may result in Out of School Suspension.

TRUANCY

A student is considered truant if he/she: (1) leaves home for school, but does not arrive at school; (2) Arrives at school, but does not attend classes; (3) Leaves school without permission and does not check out through the attendance office; (4) Obtains permission to go to a certain area, but fails to report there; (5) Leaves class early without permission; (6) Attends a class other than scheduled; (7) More than 10 minutes late to class without prior permission will be considered truant. Truancy tickets will be issued at the rate of \$20.00 per ticket. Because learning is our top priority, students who are truant are expected to complete missed work; however, partial credit will be given for work missed due to truancy according to teachers' guidelines.

CLASSROOM EXPECTATIONS

- 1. Be on time and in the proper place. Students will be marked tardy if they are not inside the classroom when the bell rings.. Students should begin working on the self-starter (bell ringer) when entering the classroom.*
- 2. Be prepared for class. Students are expected to bring the proper materials for class. These materials include the student's planner, binder, paper, and pencil or pen.*
- 3. Hall Passes. Students are expected to use the restroom, go to their lockers, or get a drink during the five minute passing period. Students may only receive ten (10) hall pass privileges a term.*
- 4. Complete all homework and assignments. Students who do not complete their homework will be in danger of failing the class.*
- 5. Respect of all people and property. Everyone in the school will use appropriate language, be polite to others, and keep all objects to self.*
- 6. Above all, Respect yourself and your own right to learn and be responsible. Do Your Best!*
- 7. Appropriate gum chewing is a privilege that may be revoked. Please be respectful with gum. Some classes may not allow gum due to safety and sanitation, i.e. band, physical education, auditorium, foreign language classes, and computer labs.*
- 8. Candy, food and drinks are not allowed in class except when provided by the teacher.*
- 9. The teacher's desk, office, computer, storage rooms, and telephones are off limits to students. Please ask permission as needed.*

Receiving a "U" grade in citizenship will result in students not being allowed to attend school activities until the grade is cleared.

GRADING

Grades are based on an accumulation of total weighted points from assessments, assignments, homework, and participation in class. Parents, as well as students, should remain aware of academic standing in the student's classes by checking the teacher's gradebook via the SIS System. Points are converted to a percentage, and letter grades are assigned according to the following scale of percent:

Students may bring a lunch from home or purchase the school's sack lunch. Once the student has completed the missing assignments, the student will be sent back to the regular lunch schedule. These drills include learning such routines as fire drills, bomb threat drills, intruder drills, shelter-in-place drills, earthquake drills, etc. All emergency and safety drills will be discussed through the homeroom teacher. Practicing the drills is a serious matter and students will be aware of the procedures in such drills. In the case of a major emergency, parents are encouraged not to call the school. The best way to communicate would be to turn on the radio or television for any broadcasted information. In case of a hazardous release event (chemical spill near the school) a lock-down or shelter-in-place procedure will occur. If students are outside, they will move quickly into the building and safety procedures would be put in place. If the school needed to relocate to another site, the school would move to Tooele High School auditorium or the LDS Church on Coleman Street. At any time during an emergency, students would only be released to parents/guardians as identified through identification.

GENERAL PROCEDURES AND ACADEMIC PROGRAMS

Counseling Department: Students wanting an appointment with a counselor must make an appointment with the Counseling Secretary. Appointments will be scheduled before/after school or during lunch time. Parents may call 833-1921 to schedule an appointment.

Textbooks: Textbooks are assigned to students. It is their responsibility to take care of the textbooks.

Student Incentives: Students have many opportunities to earn incentives. Such incentives are given due to grades, attendance, FAST Passes, reading points, positive behavior in class and within the school, Mayor’s Award, etc.

Hall Passes: Whenever students are out of class, students must have a hall pass. Students will use their planners for the purpose of a hall pass with a teacher’s signature.

Hall Lockers: All students will have an assigned locker from the homeroom teachers. Students should not share lockers. Tooele Jr. High School is not responsible for any items put into the lockers. The lockers will be cleaned each quarter during homeroom. The lockers are school property and administration reserves the right to inspect or search lockers as deemed necessary. If damage is caused to a locker, the student assigned to the locker will be responsible for the damage.

All bicycles are to be placed in the bike storage area upon arriving at school and students should bring a lock to secure the bicycle to the rack. The school will not assume any responsibility for such equipment.

THE LEGEND OF THE ROADRUNNER

The roadrunner is not the prettiest bird in the world. He does not soar like the eagles or swoop down on his prey like the hawks. He does not attract admirers with his beautiful feathers or graceful airs. He does not sing like the angels or make a lovely sight floating on the lake. He does not command attention by his looks or demeanor or power. What is there about the roadrunner?

The little roadrunner is fast. But that is not what makes him successful. It may help him get where he wants to go faster. What he has is direction. Do you see a roadrunner zigzagging down the road, wondering where to turn next? No, he's headed in a straight line, his eye on the prize and single minded in his pursuit. He has direction. If there is an obstacle in sight, either the obstacle moves or he goes around it. Beep! Beep! He knows where he wants to go, how to get there, and does not let the obstacles, the anvils, the Wiley Coyotes of the world stop him. Beep! Beep!

To Our Students at Tooele Jr. High School:

What is your direction? Do you know where you are going? Be like the roadrunner, plan to head in a straight direction, keep your eye on the prize, and do your best! Be sure not to let any obstacle get in your way. KNOW WHERE YOU ARE GOING AND DO EVERYTHING IN YOUR POWER TO GET THERE! Welcome to Tooele Jr. High School 2015-2016!

Mr. Bill Gochis, Tooele Jr. High School Principal

Dr. Dave Whiting, Assistant Principal
